

NON-CHEMICAL · COMPLIANT

RSI Ecology Cell™

Complete treatment. No chemicals to buy, store or discharge.

WHO THIS IS BUILT FOR

Sites that are legally restricted from using or discharging treatment chemicals.

Owners who simply want a safer, non-chemical way to run the tower.

One program covers both.

SIX PARTS, ONE PROGRAM

- ✓ Proprietary Ecology Cell™ anodes
- ✓ UV that destroys bacteria, no chemical
- ✓ Remote conductivity monitoring and control
- ✓ Side-stream filtration for dirt and solids
- ✓ Cooling Tower Balls™ against algae
- ✓ Scheduled mechanical cleaning
