

Make Your Life Easier™
WATER TREATMENT SINCE 1978

Concept imagery; not a photograph of RSI equipment or a customer site.

RSI HIGH EFFICIENCY FILTER

Protect the surfaces that do the work.

The value of a heat exchanger is in the work its surfaces perform. Suspended solids deserve attention in the care plan. Ask RSI how side-stream filtration fits your equipment and water conditions.

No backwash / no floor drain

Engineering documents available

RSI product details | DOE: Filtration / EPA: WaterSense
