

Make Your Life Easier™
WATER TREATMENT SINCE 1978

RSI SOLID CHEMISTRY

Evaluate the whole chemical-handling process.

Compare the operational requirements before choosing the delivery format.

Concept imagery; not a photograph of RSI equipment or a customer site.

THE DECISION CONVERSATION

CONSIDERATION	APPLICATION
Receiving	Review delivery frequency, package handling and freight.
Storage	Compare the required space and product-storage conditions.
Application	Confirm the dissolving equipment, utilities and feed process.
People	Review the SDS, PPE, training and routine handling requirements.

Ask RSI to compare the solid option with your current program using your actual operating needs.
