

WHOLESALE PRICING

RSI Water Softeners

High-performance softening for cooling tower makeup, at wholesale pricing.

WHAT HARD MAKEUP WATER COSTS YOU

Scale forms as cycles of concentration climb.

Towers are often the largest single source of water use in the facility.

Softening the makeup removes the cause.

WHAT SOFTENED MAKEUP DELIVERS

- ✓ Scale elimination
- ✓ More than 40% reduction in bleed
- ✓ Benefits extend to heaters and fixtures
- ✓ Over 25% reduction in total water usage
- ✓ Competitive wholesale pricing
- ✓ Improves efficiency facility-wide

FOR AN ACCURATE QUOTE, SEND US

Average makeup use **gallons per day**

Peak makeup flow **gallons per minute**

City water hardness

Or, instead of flow

ppm or grains

tower or chiller tonnage

Free, No-Obligation Quote

Send the figures above and we will come back promptly with a tailored wholesale quote.
